President's welcome

Welcome to the third show of our small all breeds club with a strong interest in the Forest Cat breeds – the Maine Coon, the Norwegian Forest Cat and the Siberian.

We have a change of judge for today. Congratulations to Carol Cootes who is newly appointed as a companion judge and will be judging our companion exhibits in Ring 2 today. We are very proud as a club to have Carol judging her first assignment at our show.

Once again a sincere thank you to our exhibitors. Your support means that our club is able to continue to build, and hopefully continue to build a great experience for you as exhibitors.

We would like to extend a very special thank you to our sponsors, particularly our main sponsor – Oz-Pet Litter. Also thanks to those who made donations to our show, including our rosette sponsors. We hope that you enjoy the product that is on offer from Oz-Pet, and take advantage of their wonderful products.

Another special thank you to our vet for today – Hamish Cameron BVSc (Hons) from West Queanbeyan Veterinary Hospital. Hamish returns again this year, and it is great he has been able to make it back. Hamish provides veterinary services to a number of our members and is well known in the Queanbeyan and Canberra region for excellence in veterinary services.

And of course a huge thanks to our show team. Carol Cootes and Gail Ransom who put in massive amounts of time and financial assistance and without whom this show would not run. A huge thanks to Michelle Grayson who has provided the lovely rosettes for the show and who every year is one of the hardest workers we have. We appreciate her coming to our shows so much. Thanks also to Glenda Solodchuck-Felstead who does a fantastic job running the kitchen for us every year. Also our wonderful committee, with special thanks to Cass Spencer who has done a great job looking after the promotion and marketing of the show.

Once again, our Committee would really appreciate any feedback you have to offer on our show, especially ways to improve it, and make it better next year.

Tracy Stewart,
on behalf of the Canberra Forest Cats Club committee.

JUDGES PROFILES

RING 1

Fabrice Calmes – LOOF

Fabrice has studied journalism and is currently a member of the International Press Club. In 2010, in order to further his education in conjunction with his professional role, he undertook an Executive MBA in Sustainable Development and Corporate Social Responsibility. Since he was a child, he always had cats : Turkish van, household pet and later Siamese, Orientals and Ocicats. He never could find enough time to breed the way he would like due his professional responsibilities and also because he is invited to judge all over Europe nearly every weekend. Nevertheless, in the future, he would like to start breeding again. He has always been involved in the cat fancy: President of the Cat Club de l'Est (France) for 8 years, Vice-President of FiFe for three years, President of the French feline federation for three years, Chairman of the technical commission from the FFH in Switzerland and member of the FiFe Judges and standards commission, etc. He first passed his examination for the

semi-long hairs cats (FiFe cat. 2) in 1994 than for the Persians and exotics cats (FiFe cat.1) in 2001. Since 2007, he has been judging short hair cats (FiFe cat. 3).

RING 2

Hazel Rossiter – Cats NSW

Since my childhood I have had animals in my life and it was inevitable that I would be involved with them as an adult. I have owned and successfully shown Labrador Retrievers in the U.K. In the early eighties I left the Channel Islands and emigrated to Australia with my family and my two Labradors. After thoroughly enjoying showing my dogs in the UK I then decided to look at the various cat breeds. I purchased two siamese cats as pets in 1986 and this was invariably my introduction to the Cat Fancy. I have bred and shown Burmese, Siamese, and Oriental Shorthairs and have had considerable success under the "Ahzel" prefix. I have also owned a Devon Rex and our household currently includes a Scottish Fold plus British Shorthairs which I currently show. Not to forgot our domestics which I have rescued and welcomed into our home, whilst they do not have a pedigree there is a place for them at shows and I take

great pleasure in judging them and giving them awards. I have been actively involved in numerous clubs and have held various positions of Secretary of the Burmese Cat Society of A/Asia and President of the Oriental Cat Club of NSW. I gained my group 3 judges licence with NSW CFA in 1999 and became an all shorthair judge in 2004. Having moved to ANCATS in 2006 I attained my group 1 judges licence.

Carol Cootes – Capital Cats Inc

Nearly 30 years ago I managed to talk the family into taking me to a cat show that was being held in Canberra on Mother's Day. It was amazing to see the cats sitting in cages. The show was the Birman Cat Club and Abyssinian Cat Club. The Abys were nice but when I saw my first Birman cat I fell in love. I picked up breeders' cards and started to ring around the next day. I was able to purchase my first Birman with no white feet. I joined the Birman Cat Club and the rest is history. I was given my first breeding cat from Liz Robinson, I then started my prefix Bindura Birmans. I started learning all I could about the cats, how shows were run, made good friends along the way. Started breeding in a small way as we had twin boys, one had a disability so we were busy with our young men. I started working in the Disability field as a shift worker plus breeding the Birmans. My next adventure was starting a

new prefix in 2014, Babuschka Siberians, and acquiring a Siberian girl from Marie Mahoney and a boy I imported from Irina Petrenko.

I have been a senior steward for CCI for 25 years, I am President of the Birman Cat Club, committee member of CCI, and treasurer for the Canberra Forest Cats Club. I am a Group 1 trainee judge as I want to learn more about the cats and what to look for in a cat as a judge. I hope to look at what I can improve in my breed as I go through this new challenge.

RING 3

Sandra Dukes – NSW CFA

I have been involved in the cat fancy for over 20 years after purchasing my first purebred cats (a Birman neuter and a Turkish Van female) in 1992. I bred and showed Turkish Vans until 2000. In 1998 I decided to stop breeding Turkish Vans and import Norwegian Forest Cats. There were none in Australia at the time and I have been showing and breeding Norwegians for 16 years. I was Treasurer and Show Secretary of the Birman Club for a few years and am now Treasurer for the Longhair Cat Association. I have also been a steward for many years and I'm the editor of the Catching Up journal.

Sofia Cordell-Fuda – NSW CFA

I have always loved animals, especially cats, my first cat was a present for my 8th birthday, a cream Burmese. My mum and I joined the cat fancy and the Burmese cat club after buying our first show cat in 2007, and very naughty chocolate tortie Burmese. We also starting breeding Burmese around the same time under the prefix 'Misara'. I really enjoyed showing our cats and wanted to be more involved in the cat fancy, and when I thought I was ready and the judging course was offered I jumped at it. In my day to day life I am a theatre nurse at a major teaching hospital in Sydney. I find this work to be rewarding, challenging and very interesting as you never know what is going to come through the doors. Even though I am very new to the world of judging I hope to get the same fulfillment out of it as I do my job, because you never know what you'll be faced with.

Major awards will be calculated as follows:

- i Top 10 or 5 Exhibits in each ring will be determined by the judge;
- ii Major awards will be decided by points allocation based on the placings of each cat in the judges' Top 10 or 5 Exhibits in each ring, with 10 points for Best through to 1 point for tenth.
- iii A cat does not need to have placed first in a judge's top 10 Exhibits in order to qualify for one of these awards.
